

EMPLOYMENT OPPORTUNITY – COMMUNITY MENTAL HEALTH NURSE
ENOCH CREE HEALTH DEPARTMENT
OPEN COMPETITION

JOB PURPOSE: As a Registered Psychiatric Nurse, you will provide a wide variety of nursing services to promote, maintain or restore mental health and prevent mental illness, injury and disability. You will work collaboratively with the interdisciplinary medical team to identify and respond to medical and mental health emergencies as well as provide medical and mental health counselling, information and support. You will use your extensive knowledge of Health Canada and Alberta Health Services psychiatric programs and services to provide appropriate referrals for patients. Your responsibilities will also include the development and delivery of mental education/awareness programs in collaboration with the interdisciplinary team.

Assessing, responding and managing mental health crises, while also developing and delivering mental health education/awareness programs. You will be providing information to community members and staff regarding mental health related topics. While you will be required to teach, counsel and advocate for patients, you'll also be required to develop treatment plans in conjunction with the interdisciplinary team. Establish and maintain a network of community contacts and resources and perform all administration tasks associated with clinical care such as scheduling appointments, arranging case conferences, and identifying resources.

EDUCATION, EXPERIENCE AND REQUIREMENTS:

- Completion of an accredited Psychiatric Nursing educational program.
- Diploma of Psychiatric Nursing with 5 years' experience or a Bachelor of Psychiatric Nursing with 2 years' experience.
