Re: Topsoil Hauling

As part of the ongoing NEDA construction, we will be hauling topsoil from stockpiles at the future Spa site to an off-Nation dump location. Our trucks will be utilizing 231 Street and Township Road 522 while traveling through the Nation.

Please see the attached map outlining the routes our trucks will be using over the next week. We appreciate your cooperation and apologize for any inconvenience this may cause.

Important Details:

Affected Areas: 231 Street heading south; Township Road 522 heading east

Start Date: **April 27, 2026**

End Date: **May 1, 2026**

For any questions or concerns, please contact us at admin@willowsltd.com

We appreciate your cooperation as we carry out this work.

Thank you.

Sincerely,
Enoch Civil Construction
